

REGULATION (EC) No 1907/2006 — Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH)

Remora Electrical Limited hereby declares to Integra PDU Limited that, based on our current knowledge and the data available from our supply chain, none of the products or packaging materials supplied by Remora Electrical Limited contain any of the substances listed on the European Chemicals Agency (ECHA) Candidate List of Substances of Very High Concern (SVHCs) in concentrations above 0.1% by weight (w/w). The Candidate List, as of February 2026, now comprises 253 substances.

Our compliance procedure includes:

- monitoring updates to the Candidate List.
- obtaining declarations from our upstream suppliers regarding SVHC content.
- internal review of materials and packaging components as required.
- communicating promptly with our customers should any change arise.

Should we identify at any time that a supplied product or packaging material to Integra PDU Limited contains a listed SVHC above the 0.1% threshold, we will immediately notify you. Our notification will include: (i) the affected part number, (ii) the name and CAS number of the SVHC present, and (iii) the concentration (weight %) of that substance within the product or material.

Remora Electrical Limited is committed to upholding our REACH obligations, maintaining supply-chain transparency, and ensuring that our customers receive compliant, safe, and dependable products.
